EXAMINER'S AMENDMENT AND COMMENT

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on June 7, 2007 has been entered.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE TITLE:

Please note the title of the invention has been changed by the Examiner to the following to more accurately reflect the claimed invention:

--SELF-CONTAINED INDEPENDENT INKING UNIT FOR PRINTING PRESS--

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

4. Applicant's arguments, see the remarks in the amendment, filed June 7, 2007, with respect to the prior art rejections of claims 12-17 and 19-24 have been fully considered and are persuasive. The rejections of claims 12-17 and 19-24 have been withdrawn and the claims are hereby allowed. In particular, it is noted that the prior art of record fails to teach or fairly suggest an inking unit having all of the structure as recited, in combination with and particularly including, guides arranged on and extending along the respective side walls of the inking unit and configured to interact with complementary guides on side walls of the printing unit so that the inking unit is insertable into and removable from the printing unit by the guides.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Leslie J. Evanisko** whose telephone number is **(571) 272-2161**. The examiner can normally be reached on T-F 8:00 am-6:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Judy Nguyen can be reached on (571) 272-2258. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
